Introduction

This week's issue is just a swift round-up of results. I have a couple of longer items in hand (thanks to Drag Sudar and Peter Dodson), which will appear in the next issue. Drag's item in particular, which concerns the laws of chess, deserves to be read after the effects of Christmas and New Year celebrations have worn off.

The next issue should be out on 7 January. Until then, Merry Christmas and a Happy New Year to all!
