

## CONGRESS DIRECTOR REPORT

The summary Figures:

	Entries 2013-14	Entries 2014-15		Surplus 2013-14	Surplus 2014-15
Congress	160	152		£471	£749
Rapidplay	130	108		£322	£122
County Championship	44	44		(£314)	(£185)
<b>TOTAL</b>				<b>£479</b>	<b>£686</b>

**Congress** – Entries down 8 – exactly the number of players who played in 2014 and at the new 4NCL congress at Wakefield on the same weekend this year. 4NCL will be moving their date to avoid Nottingham in 2016. Surplus up due largely to £2 increase in entry fees.

**Rapidplay** – Entries down from last years' record. In retrospect I was a little too optimistic in thinking e-mail circulation alone would be sufficient where entrants had previously entered electronically. There will be more postal circulation of entry forms next year.

**Dates for next year** (all events at Nottingham High School) :

County Championship - November 21 / 22 , 2015

Rapidplay - January 31<sup>st</sup> , 2016

Congress - April 16 / 17<sup>th</sup>, 2016

Robert Richmond 4 July, 2015
